The CFES Club will be hosting "The Giving Games," a school wide event on Thursday, December 21st, during 9th and 10th periods. Elementary teachers will play volleyball against High School teachers (losers to get pied afterwards!) while Seniors will go up against Juniors. Minute-To-Win-It games will determine who the grand school champions are, with the promise of lots of laughter while it all goes down. The "price of admission" for the Giving Games is one of three things: a monetary donation (to go towards the town's Christmas Dinner baskets), a non-perishable food item (for the local food shelf) or a new, unwrapped toy. We are looking for 100% participation! We thank you in advance for your generosity and willingness to spread some holiday cheer!

## NJHS News

Members of the Ashley MacDougal chapter of the National Junior Honor Society have been busy in the area of community service. Each year, along with ringing the bell for the Salvation Army at the mall in Plattsburgh, they vote to give a monetary donation to a charity. This year the Elizabethtown SPCA and The Crane Valley Horse Rescue were the recipients. On November 21st members enjoyed a tour of both animal shelters and learned a great deal about animals in need. If you would like to help them ,help others, please stop by the mall on December 16th or look for their Yankee candle sales in March.

**FREE Books**  
The Library has many free new and gently used young adult fiction books for anyone to enjoy. Please stop by the library. The Free books will be available until January.

**Stock Market Challenge**  
Mr. White's Personal Finance class is starting the annual stock market simulation challenge. The game is open to any student, staff or parent who would like to join. Test your investing skills against others, it's challenging, fun and educational. Bragging rights go to the winner! Email Mr. White at [bwhite@willsborocsd.org](mailto:bwhite@willsborocsd.org) to join.
