

Head Lice: Additional Information

The following is additional information which can help in the event of a head lice issue:

- **The following natural remedies have been suggested as a supplement to over the counter treatments:**
 - **Liceoff-** www.liceoff.com
 - **Fairytales hair care products-** www.fairytaleshairecare.com
 - **White vinegar:**
 - **Douse the hair in white vinegar and cover with a shower cap for 24 hours. Rinse hair in the shower and comb through with a fine-tooth or lice comb.**
- **Environmental tips:**
 - **To minimize the amount of laundry, keep out 5 sets of clothes and a couple sets of sheets you can launder and bag the rest in garbage bags for a minimum of 14 days. This will cover the lifespan of the lice and reduce the amount of laundry you need to do!**

Head Lice: Additional Information

- **Place a plastic bag over pillows and under pillow cases to “bag” any lice that may be in the pillow itself. Do this for 14 days. As always- use caution around young children.**
- **Place hair ties, brushes, etc in ziplock bags for 14 days to reduce the chance of re-infestation**
- **Please call with any questions you may have @**
