Willsboro Central School District Residents Kindergarten and Pre Kindergarten Registration

Any child living in the Willsboro Central School District that will be 4 years old by December 1, 2017, is eligible to enroll in Pre-Kindergarten. Please contact the school nurse at 963-4456, ext 206, to pre-register your child. Pre-Kindergarten screening is scheduled for May 2017. The district is also registering any students currently not enrolled for Kindergarten. Please contact the school for more information.

Youth Commission News

The Youth Commission would like thank all those that participated in our recent trip to the YMCA and the skating and sledding party. Both were a blast for the kids (and adults) !

Basketball season is over and we move onto baseball and softball season. Although we won't be starting for a bit, we are seeking coaches. Depending on numbers, we'll need a t-ball coach or coaches, 3/4 baseball coach or coaches, 5/6 baseball coach, and a 5/6 softball coach. If interested in coaching, please send a brief letter of interest to the Town Hall.

On March 24-26th, we'll be hosting a 7th and 8th grade boys basketball tournament at WCS.

We'll be looking for baked goods and food donations for our concession stand all throughout the weekend. If interested in donating, please contact Jennifer Leibeck at 963-8040.

Booster Club Update

On March 16th, we are sponsoring the circus in the school gymnasium. We're really looking forward to holding this night of family fun. Be on the lookout for more information soon.

Our annual 5K/1 mile run is set for April 29th at 9:00. Go to adirondackcoastevents.com for all the details. We've sent letters out to all area businesses looking for monetary donations or raffle items for this event. If interested in supporting this community event, call Jennifer Leibeck at 963-8040.

The Booster Club continues to work hard to provide opportunities for the athletes at WCS and for the community. We would like to thank all those that continue to support us!

Robotics Workshop

On Thursday March 2, five Willsboro Students (Jozlyn Welch, Mallory Arnold, Marcus Carson, Finn Walker, and Sierra Bronson) attended a robotics workshop at the CFES headquarters in Essex, New York. The conference was presented by professors and cadets from the West Point Military Academy. The aim of the workshop was to expose students to careers in the STEM fields.

During the conference, students built a robot controlled vehicle. Then they learned how to program the robot with a tablet computer. Their task was to program the robot to navigate a course to reach a goal at the end. The team that included Finn Walker won the competition against students from other area schools.

Congratulations!

Click on the QR code
and you can watch
the video of
Finn's win!!

The well known Cole All-Star Circus will be at Willsboro Central School on March 16th at 7:00. This event is being hosted by the WCS Booster Club. See all the information below. This will also be sent home with your child, including an order form to purchase tickets and a free coupon for a child 12 and under that can be used with a paying adult. (up to two kids per adult) If you need to purchase tickets, either see Brandy Pierce or Jennifer Leibeck at the school, by calling Jennifer Leibeck at 963-8040, or by sending back your child's ticket form. We hope to see all of you there!!!!

To Purchase Tickets Contact Brandy Pierce at 963-4466 ext. 204 or Jennifer Leibeck at 963-8040
