# Sign Up for Important Updates From Willsboro School District

Beginning in November, Willsboro Central School will be using the **remind** app to distribute important information such as an emergency early dismissal or if busses are delayed from leaving campus.

This is an opt-in service. You must register to receive these updates and anyone can sign up to receive the text message by following the instructions on the reverse side of this flyer. This would be great for parents, babysitters, grandparents, etc.

The app will only be used for important updates.
