As noted on the agenda, the Board will entertain a public comment period during this meeting. The public comment period will not exceed 15 minutes, and each individual speaker will be allotted up to 3 minutes.

While the Board is here to listen, the public comment period is not designed to be a discussion. Accordingly, please do not expect the Board to respond to your concerns and questions tonight. If warranted, a response will be given at a later time by the appropriate staff member.

The board will not permit the discussion of individual district personnel or students during the public comment period. Speakers presenting complaints must have first gone through the established complaint procedures.

All speakers and members of the audience must maintain civility and respect. Obscene language, defamatory statements, threats of violence, and statements advocating racial, religious, or other forms of prejudice will not be tolerated.

The Board President is responsible for the orderly conduct of the meeting and will rule on such matters as the time to be allowed for public comment and the appropriateness of the topics being presented. The Board President also reserves the right to discontinue any public comments that violate board policy.
